MINIMUM GRADUATION REQUIREMENTS FOR BEHREND COLLEGE MAJORS/MINORS: Students graduating from Behrend College baccalaureate majors/minors must achieve an overall grade-point average of at least 2.0 and earn a C grade or better in all 300- and 400-level courses within these same Prescribed, Additional, and Supporting courses. If a student receives a grade below C, he/she must repeat that course, or a school-approved alternative, and earn a grade of C or better.

MATH 001 through 004, ENGL 004 and 005 courses cannot be used to meet Baccalaureate degree requirements.

TRANSFER CREDITS: At least 50% of all business credit hours required for the degree must be completed at Penn State Erie. Students may transfer a maximum of six (6) credits of 300-or 400-level business coursework from another academic institution.

United States Cultures (US) and International Cultures (IL) Requirement: **Students admitted to baccalaureate or associate degree status before summer 2005** must complete a 3-credit course that is US, IL, or both US and IL. However, students who have fulfilled their Intercultural and International Competence requirement with a course designated as DF or GI are exempt from this requirement. Any semester- or year-long Penn State approved study abroad program can be used to satisfy the requirement.

Students admitted to baccalaureate degree status after spring 2005 must complete 3 credits in US and 3 credits in IL. If a student takes a 3-credit course that is both US and IL, to complete the requirement, he/she must take another 3-credit course that is US, IL, or both US and IL. Education abroad courses and other credit-bearing experiences such as internships that meet this requirement, will be designated as US, IL, or both US and IL.

"W" COURSES: Students must complete at least 3 credits of writing-intensive course work. These courses must be selected from "W" courses offered within the major or college of enrollment. For business majors, this requirement is met by taking MANGT 470W/MGMT 471W.

LANGUAGE REQUIREMENT: Students who have not met the admission requirement of two units of a high school foreign language **must** complete a college level-one foreign language within their first 60 credits. This is a pre-admission requirement – credits will not count toward degree requirements.
