

Campus Resources At A Glance

The following links are helpful resources for both students and mentors. The links provide information about campus activities and resources available to students on campus. Please take a moment to review these resources as they may help you prepare for this year. These links were selected because they relate to areas that students often need help. Mentors are not expected to know everything or to fill every role, but they can help direct you to the right place.

Office of Educational Equity and Diversity Programs

This office supports and serves as an advocate for diverse populations within the college community. In addition to addressing the specific concerns of students from underrepresented racial/ethnic groups, it works to support students with disabilities, international students, LGBT students, and women. Signature programs include; FastStart Behrend Mentoring Program, Dr. Martin Luther King, Jr. Celebration, Rhythms of Life Series, Safe Zone Behrend, and more!
